How it works?

With Clevershare, you gain the ability to effortlessly initiate a meeting on any UC platforms while seamlessly connecting to the display, audio, and visual equipment in the room. This ensures a smooth and hassle-free experience when entering the meeting room, regardless of your chosen UC platform.

Download the CleverShare App on
the device you wish to share with
your touchscreen.

Once downloaded, simply connect
by typing in the code that appears
on your Clevertouch Screen.

Upgrade your solution

Sharing your presentations, documents, and ideas has never been easier. Simply pair your CleverCast with your Clevertouch meeting room display to mirror your content with the touch of a button.
