Quick Start Guide

MTouch E2 Package

3 Installation

- MCore Pro supports: mount on the wall, mount on the TV, stick to the table.
- MTouch E2 supports: put on a table, mount on a wall.
- UVC40 supports: put on a flat surface, mount on the wall.
- Install and deploy the accessories in the system according to the environment and actual needs. For how to install and deploy, please refer to the quick start guide of each product.

4 Connection

- When starting up the system for the first time, you need to connect a mouse to complete the initial configuration. We recommend using the wireless mouse and keyboard kit.
- Not included accessories requirements:
 - » Display: Resolution of 1080p or higher and with an HDMI port.
 - » PC: Equipped with HDMI or USB-C (support DP protocol) Port.
 - » Ethernet cable: CAT5e or higher ethernet cable.
 - » HDMI: Standard HDMI cable.
 - » PoE switch: If you use PoE to connect speakers or cameras, you need to use PoE+.

5 Initial Setup

1. Press the power button on the bottom left of MCore Pro, and the Microsoft Windows 10 IoT Enterprise Edition operating system will be automatically loaded after starting MCore Pro.

Note: When starting up the system for the first time, you need to connect a mouse to complete the initial configuration. We recommend using the wireless mouse and keyboard kit.

After the system is initialized, you can use MTouch E2 to complete the system login and settings, and the device will automatically start the Microsoft Teams conference system application and enter the setting page.

2. Select the check box on the **EULA** page, and then tap **Next**.
3. Enter the account, the password on the **Account** page, and then tap **Next**. Supports Microsoft Teams Rooms or Skype® for Business accounts.
4. On the **Advanced** page, configure the domain and tap **Next**.
5. Tap **Finish** to complete the setup wizard.

6 Features

Wireless Sharing

1. Connect the WPP30 to the USB port of the MTouch E2.
When pairing, the LED indicator of WPP30 is orange. And the pairing is successful, the LED indicator turns green breathing light.
2. Connect the paired WPP30 to the USB-A/USB-C port on your PC.
3. On the WPP30, press the presentation button to share full screen.

Control UVC40 Camera Position

1. Tap **More** >  to enter the Camera Control page.
